**RoHS Compliance According to EU Rule 2011/65/EU**

Dear Sir or Madam,

We are manufacturer of standard parts, mallets, workholding systems and aerospace products and supply these products worldwide to almost every industrial branch.

For our clients within the automobile industry we have been using the international material data system (IMDS) since 2001 which was made available by the Automobile Industry's Association.

From our knowledge Halder articles do not contain any substances that are forbidden due to RoHS2.

Best regards  
**Erwin Halder KG**
